### CT Coursework Report Sheet:

Graduates who apply for the NMTCB(CT) exam within three (3) years of completing a programmatically accredited nuclear medicine program are considered to have met this requirement.

**For all others:** This report sheet must be completed for proper submission of the 35 hours of coursework (or 35 Continuing Education Hours) needed for NMTCB(CT) exam applicants. Enclose documentation for each course. Please submit information specifically pertaining to the required four categories listed below. An additional page is available to document other CT related topics. Print extra copies of these pages if required.
